Material Donations Release

June 12, 2008, 1600 EDT

OFFICE OF FAITH BASED AND COMMUNITY INITIATIVES:

- The Office of Faith Based and Community Initiatives has set up a warehouse for those wanting to donate goods to victims affected by the severe flooding that has occurred this past week.
- We ask that you do not attempt to deliver donations directly into the impacted communities for they may not have anywhere to store them for distribution and you may have problems getting into the area to drop them off.
- We encourage you to please bring them to the distribution center at 6075 Lakeside Blvd, Indianapolis to be distributed to the local communities as requested.
- For additional information on donating to this cause please call 812-325-6811.
